

## **FLYER FOR THE AMERICAN COLONIES**

**What:** You will make an informational flyer for three American colonies. This should be an overview of each colony, done electronically. Due Thursday, 10/3

### **Learning goals:**

1. Students will understand the differences between the colonies, including population, economy and topography
2. Students will highlight one important figure from each colony

### **Include:**

1. Three specific colonies, from three regions
2. Two paragraphs for each colony:
  - The 1st describing the colony and it's unique story
  - The 2<sup>nd</sup>, highlighting a significant person or group of people and their impact.
  - Minimum five facts for each colony
3. Image for each (keep it small), include caption & source (just the website, not the entire address)
4. Heading for each colony

Your personal touch to the flyer that engages the audience: Add a slogan for each colony; add a border; use color if possible.
